TABLEWARE CARE

A COUPLE FRIENDLY NOTES TO MAKE SETTING UP YOUR TABLEWARE A TOTAL BREEZE:

Our tableware is extremely delicate and we need your help in keeping them in their pristine condition! Charger plates, glassware and flatware should be *dishwasher ready (free of food debris) upon return and placed back in their supplied containers. All original containers and boxes must also be returned.

There will be a replacement fee that will be billed to the client on the credit card on file if any of the tableware breaks or is missing during your rental period. Missing and broken containers and boxes will also be charged.
